SYMPOSIUM INFORMATION

The National Symposium on Juvenile Services is a unique forum that brings together the leadership and direct care professionals from juvenile services and other human services professionals for training and the opportunity to network and share innovative program service approaches being implemented within the juvenile justice system throughout the country. We hope you will have a

participatory role in shaping the agenda and future direction of our juvenile justice system.

SYMPOSIUM Goals

/To convene a diverse representation of juvenile service practitioners, trainers, and educators/ /To provide an open forum for an exchange of ideas and a debate of issues/ /To build partnerships for enhanced service delivery/ /To be innovative in planning for the profession's future/ /To educate all participants on the critical issues in juvenile justice/ /To model best practices/ /To celebrate our successes/
